

Notice of Carbon Tax Surcharge

TO: Valued Customer

FROM: APPS Transport Group

DATE: April 1, 2021

As you are aware, the Government of Canada imposed a Carbon Tax on Green House Gas (GHG) emissions from fossil fuel combustion. Their plan included annual increases for Carbon Taxes to be applied for each province under their program on the anniversary date of the program's introduction.

As a result of these cost increases being imposed, the Carbon Tax Surcharge, will be increased per below table. The changes will take effect on April 1, 2021.

Origin Province	Destination Province	Charge	Max
ON	NS, NB, PEI, QC, MB, SK, AB, BC	2.50%	\$75.00
