GENERAL RATE INCREASE

TO: Valued Customer
FROM: APPS Transport Group
DATE: November 17, 2023

1. Please note that APPS TRANSPORT GROUP is announcing a general rate increase of 5.8% effective on the expiry date of your current rate authority. In the event that your rate authority has already expired then the rate increase will be effective no later than January 1, 2024.

The adjustment has been calculated to offset general increases in cost in all areas of the business but specifically increased cost of transportation equipment, labour and real-estate over the last several months. We have taken every measure to improve efficiency and minimize cost in order to keep this rate increase at a minimum. Thank you for understanding that this price increase means that we can continue to maintain the superior standard of our services for the coming year.
